### REQUIREMENTS FOR SERVING OR SELLING ALCOHOL

**Fruit Ridge Community Collaborative considers an event to include alcohol if beer, wine, champagne and/or hard liquor is being used in any of the following ways: For a toast, furnished on the tables, served to guests or sold to attendees.**

To have any form of alcohol on FRCC property requires advanced notification (disclosed on the permit) and several additional items. The additional paperwork items we require **MUST** be given to us **4 weeks before your event**. Failure to submit the necessary documents on time will change your event to NON-ALCOHOL. On-site violations will result in event closure by the center staff and the Sacramento Police Department.

#### **All events including alcohol require the following:**

- Alcohol Beverage Surcharge \$100.00 flat fee
- Security Deposit \$300.00

#### **At an additional cost to the permit holder, we also require:**

- A Certificate of Liability Insurance with Liquor Liability coverage, in the amount of \$1,000,000.00 (one million dollars). The certificate must name Fruit Ridge Community Collaborative/PRO Youth and Families/ Social Good Fund Inc. additionally insured. **The certificate must clearly state the type of event and that liquor liability is included in the coverage.**
- FRCC will evaluate and notify you of Security Cost.

It is a customer's choice to have alcohol. In order to serve alcohol at your event, we require the above paperwork. If you do not have the necessary paperwork on file, you will not be able to have alcohol on the premises. If for some reason, we are made aware that there is alcohol being consumed, you will be asked to remove it from the property or have it removed by one of the

representatives. As the permit holder you need to make this clear to your guest. The Fruit Ridge Community Collaborative Center reserves the right to close an event down early for alcohol violations.

It is a misdemeanor to sell, furnish or give alcohol to any person under the age of 21.

It is a misdemeanor to sell, furnish or give alcohol to an obviously intoxicated person.

An Alcoholic Beverage Control (ABC) Permit is required if you plan on selling alcohol. Selling alcohol is considered fundraising and your group must have made prior arrangements and receive written approval from the Center Supervisor. Your group must also be recognized by the State of California as a non-profit organization. To apply for an ABC Permit, go to <https://www.abc.ca.gov/forms/PDFlist.html>

A copy of your organization's non profit status, showing the actual number, is also required as well.
